## SINCE ELECTIONS IN THE COUNTY have become a farce, and as we have no candidates in the field, we call on all good Republican party and the people on election day, W. F. GRAY, Chairman of the Republican party of Norfolk county.

CONCERNING THE CARD OF W. F. GRAY, stating that elections in the county is a farce, and that we have no candidates in the field, I am right with him. I never had no success in elections in 1896, but it was not under our management, and I don't think the people know what they were voting for. It is funny to think of. About the 1st of April I started to take a little nap, but overslept myself and did not wake up until day before yesterday, when it was too late to call a convention and as Mr. Gray seems to have been very drowsy also, that is the reason we have got no candidates in the field, but that don't make no difference, cause the proper way is to stay away from the polls. Since I woke up I heard tell that the Democratic party and the Republican party and all the intelligence is going to follow Mr. Gray's advice (in Norfolk county, cause he is a borned leader, he is, and he is now woke up new show, I agree with him and tells everybody to stay away from the polls, cause we want to skip this election anyhow.

RIP VAN RINGLE GREEN, Secretary.
